

INFUSION

I will infuse You in my prayers,
I will infuse You in my Heart,
into the domination of good,
milestones of God.

I will infuse You into Themselves,
I will infuse You into Supreme intimacy,
They are my Lord known as Sri Krishna,
They are Supernatural and All Beyond the Curtain.

I will infuse You with the Antidote of hatred,
I will infuse You with the Cure that's naked -
essence of Love, Joy and Bliss as well as Peace,
it is granted like Inner Divinity of sharing this.

I will infuse You of course,
may You know Who is speaking these verses to me:
it is God, I alone am a hopeless case,
it is Lord I in forgiveness worship alone.

What have You done all of Your time,
Whom have You loved all of Your Life?
Who is Your Soul, whom are You near,
what is Your future that is so dear?

Who is Supreme You worship alone,
what do You do when You aren't worth and alone?
I am Supreme's Light in Abode I am kept for worship,
I am of and for a Delight I've seen and touched, but the Path is to walk misery through it.
